ABOUT ME

I am a graduate of Visual Communication Design from Yeditepe University. My passion for graphic design began before university, during which I created my own designs. My studies have further developed my skills, making me proficient in Adobe Creative Suite and familiar with Maya for 3D design. I also gained practical experience through volunteering. I am warm-hearted and hardworking, with a strong commitment to producing high-quality design work.

WORK EXPERIENCE

JR. GRAPHIC DESIGNER

Kreatif Kafalar
2023 - 2024
İstanbul

As a Junior Graphic Designer at Kreatif Kafalar, a social media agency, I managed social media accounts for various companies. My responsibilities included designing stories and posts, conducting photo and video shoots, and editing the content. I also created special occasion social media posts for established brands like Hilton.

GRAPHIC DESIGNER INTERN

Design In Situ
2022 - 2023
İstanbul

I completed my mandatory internship at Design In Situ, where I worked on creating promotional posters, website interfaces, and social media posts and stories for major brands. This experience allowed me to design for prominent companies like Nike, enhancing my skills in high-profile design projects.

GRAPHIC DESIGNER INTERN

NIT Örme
2022 - 2022
İstanbul

During my voluntary internship at Nit Örme, a textile machinery manufacturer, I handled tasks such as photographing and editing machine parts, creating and editing internal promotional videos, and designing business cards, website elements, and packaging materials. This role enhanced my skills in visual and graphic design through diverse project involvement.

VOLUNTEERING
